

Science meets Agriculture: IPIFF Annual Congress

The contribution of the insect sector to innovative agriculture and sustainable value chains in European regions

21 November 2024

The IPIFF Annual Congress gives organisations the opportunity to profile themselves and rub shoulders with Europe's foremost C-level executives in agriculture, as well as with high-level EU policy-makers. This year's event will be 21 November 2024.

On behalf of the IPIFF Secretariat, we are pleased to present to you the **sponsorship opportunities** for the event.

Sponsorship Opportunities

Full sponsorship:

This option offers you a stand beside the main conference hall. The company logo, as well as a short description, will be displayed on all **IPIFF communication materials (e.g. email marketing, social media, website)**. Sponsors will also be profiled on our partners' channels: [Intersect](#), and [The Insect Academy](#).

The company will be mentioned in the introductory and concluding speeches. A company video can be broadcast during the coffee and lunch breaks (3 mins).

Price: 1,250 EUR for IPIFF Members, 1,500 EUR for non-members.

Associated sponsorship:

This option offers the same benefits as the full sponsorship, however, without the company standing beside the main conference hall.

Price: 750 EUR for IPIFF Members, 1,000 EUR for non-members.

Gold sponsorship:

This option offers the same benefits as the full sponsorship on top of which the sponsoring organisation will be offered a **speaking slot** during the event (the format and timing of the concerned speaking slot will be suggested by the event organisers).

Price: 2,000 EUR for IPIFF Members, 2,500 EUR for non-members.

For any questions regarding the Annual Congress, please reach out to **eduard.tsvetanov@ipiff.org**.
